2. The International Competitive Bidding (ICB) will be conducted in accordance with Reference 1, which stipulates that NSPA, at the earliest possible moment, even before the request for authorization to commit funds is submitted, issues a NOI to invite bids to the diplomatic representative(s) of the participating countries in the capital of the country where NSPA is situated.
3. This letter constitutes the NOI to Invite Bids for the project mentioned at paragraph 1 above and as further described in Annex A.
4. NSPA as Host Nation for the above mentioned project hereby invites you to:
  - 4.1 Nominate firms located in your nation which may wish to participate in the ICB;
  - 4.2 Provide for each nominated firm a "Declaration of Eligibility" in the format provided at Annex B.
5. You are kindly requested to provide either individually or - preferably - collectively the "Declaration of Eligibility" for the companies from your nation which you wish NSPA to invite to tender. The requested information should be addressed to:

NSPA – PP Division  
Herat Airfield Runway Repair – FSC130003  
L- 8302 CAPELLEN  
G. D. Luxembourg  
E-mail: nspapp@nspa.nato.int  
Fax: +352 3063 4300

It should reach NSPA not later than **20 AUGUST 2013**.

6. According to Reference 1, Annex 2, and Paragraph 6.1.1. an Invitation For Bids cannot be issued to any company, except those identified at Annex C, until a Declaration of Eligibility is received by the Host Nation from the Government of the potential bidder's country. For companies already identified on the NSPA source list national authorities still have to issue a Declaration of Eligibility before an award of contract could be made to such a firm.
7. In case any further information is required, please contact:

**NOTIFICATION OF INTENT TO INVITE BIDS FOR PROJECT:  
NSPA – ISAF/CIVIL WORKS HERAT AIRFIELD RUNWAY REPAIR  
Serial 2013/1AF27024-0 ISAF CUR 1702**

1. **Summary Description of Project**

The scope of the project is the rehabilitation of the HERAT runway to ensure present and future execution of assigned theatre-level critical capabilities and allow a smooth redeployment of troops and equipment from the ISAF western region through the FSB.

The pavement rehabilitation/enhancement concerns Runway 18/36. The pavement will be strengthened by means of demolition of the existing surface asphalt concrete pavement and its replacement/reconstruction with a newly defined asphalt concrete pavement mix supported by geo-fiber grid, in order to increase and ensure the appropriate Pavement Classification Number (PCN) value.

2. **Rough Cost Estimate**

The total cost of the project is estimated at the amount of EUR 6,000,000.
