16. During the selection of the best bidder, only the bids that contain complete documentation will be reviewed prescribed in the Tender documentation.
17. Criteria pursuant to which will be made the selection of the most favorable bid is the highest offered concession fee, but not lower than the starting price for the location and the mineral resource subject to this Public Call.
Condition for evaluation of the bids is valid Tender guarantee.
18. The public opening of the bids will be held on January 21, 2013 at 10:00 local time.
19. The obligations of the concessionaire will be determined in the Concession Agreement for concession for detailed geological explorations. The Concessionaire is obliged the detailed geological explorations to perform pursuant the valid laws and regulations in the Republic of Macedonia.

20. The Government of the Republic of Macedonia: may amend or supplement the tender documentation at latest 15 days prior to the expiry of the deadline for submission of the bids, not grant the concessions or terminate the procedure in complete.

21. Manner of opening the bids:

The opening of the bids will be public, including of the submitted withdrawals. The opening of the bids will be on January 21, 2013 at 10:00 local time.

At the opening may participate authorized representatives of the bidders and for that they are obliged to submit authorization for participation at the public opening issued by the interested bidder.

The opening of bids will be at the following address:

Ministry of Economy
First floor- meetings hall
St. Jurij Gagarin No. 15
1000 Skopje
Republic of Macedonia

In case there are amendments in relation to the place of the opening of the bids, the bidders will be timely informed.

The opening of the bids will be in two steps, as follows:

In the first step is opened only the Envelope 1 (Obligatory documentation). In this phase is checked only the completeness of the documentation.

If it is determined that the documentation is not complete, the other envelop shall not be opened.

In the second step, after the confirmation of the completeness of the documentation of the first envelope, is opened the other envelop. From the content of the other envelop publicly are read the offered parameters.

The commission shall prepare Minutes of the opening of the bids in which will be described the procedure of the course of the opening, the possible remarks of the present authorized representatives of the bidders and the explanations of the Commission.

Enclosed to the Minutes, there will be a list of the present persons at the opening.

The Commission shall make the evaluation of the bids at special session after which ranking of the qualified bids for every location separately shall be made in deadline of 30 days after the expiry of the deadline for submission of bids.

22. Competent organ for deciding upon the complaints in procedure for granting concession for detailed geological explorations of mineral resources is the State

Commission for complaints on public procurements (Bul. "Ilinden" No. 1000
Skopje, Republic of Macedonia). Complaint may be filed in deadline of eight days
from the day of:

- Publishing of the Public Call for granting concession for detailed geological explorations of mineral resources in relation to the data, actions or omissions undertaken from the Public Call;
- Opening the bids, in relation to actions or omissions for taking actions related to the tender documentation, i.e. the procedure for opening the bids;
- Reception of the decision with which is decided about separate right of the procedure for granting concession for detailed geological explorations of mineral resources in relation to the determination of the capability of the applications for participation or evaluation of the bids and the decision, and
- Knowledge of illegal leading of the procedure of granting concession for detailed geological explorations of mineral resources, at latest in deadline of one year from the day of completion of the implemented procedure.
