Ministry of Electricity & Energy

Egyptian Electricity Holding Company (EEHC)

**Egyptian Electricity Transmission Company
(EETC)**

**Badr 500kV GIS Substation Project
Package A**

**HIGH VOLTAGE SUBSTATIONS
PROCUREMENT NOTICE**

The Egyptian Electricity Holding Company (EEHC) has applied for a loan from the European Investment Bank hereinafter referred to as the EIB), the proceeds of which will be relent to the Egyptian Electricity Transmission Company (EETC), to finance Badr 500kV GIS Substation Package A.

Egyptian Electricity Transmission Company (EETC), a wholly owned subsidiary of the Egyptian Electricity Holding Company (EEHC) is inviting International Tenderers to submit bids for the construction and completion on full turnkey bases for Badr 500/220/22kV GIS Substation (the works). The scope of works includes, but is not limited to engineering, design, fabrication, factory testing, site delivery, loading, unloading, civil works, installing, testing & commissioning, training, insurance till handing over & warranty of Bader 500/220/22kV GIS S/S equipment including civil works & erection of power transformers & its fire fighting system. Responsive tenderer will be selected on the bases of compliance with the schedule, terms and conditions as well as The technical specifications, acceptable past experience including past experience of Subcontractors, financial capability, adequacy of proposed manpower and construction equipment.

The tenderer (including its subcontractor(s) and joint venture) should have a) past experience on works of similar nature and complexity (i.e. 500 KV GIS substations, at least three bays each), which have been put in commercial operation successfully for at least three years in three projects during the last ten years), b) ISO 9001 and the recent certificates. The tender document will be available at EETC's offices on Sep. 15, 2010. Tenderers may receive the tender document by submitting an application, in one original and two copies, accompanied by a payment receipt of US\$ 2000 from National Bank of Egypt, Nasr City Branch, Cairo, Egypt (Account No. 11001007177) at address shown below:

**Egyptian Electricity Transmission Company - EETC
