Subject: Expression of interest for participating to the tender (preselection stage) regarding the "Improvement Infrastructure of Ship repair Zone (incl. floating docks)" phase A.

Dear Sirs,

We would like to remind you that Piraeus Port Authority has published a call for expression of interest since Wednesday 2 August 2017 for participating to the tender (preselection stage) regarding the "Improvement Infrastructure of Ship repair Zone (incl. floating docks)" phase A.

The deadline is until Monday 28th August 2017, 14:00 hours (Greek time).

All information of the call for expression of interest is published on PPA site at the following link: <http://www.olp.gr/el/contests-declarations/itemlist/category/89-ergon>

All clarifications regarding this tender have been published on the same link.

Since you are The Association of Greek Contracting Companies, please remind to all your members about this tender.

At your disposal for any further information.
