From: Greek Trade Office in Beirut <ecocom-beirut@mfa.gr> **Subject**: AΣ 280, Project Lebanon Going Forward 2024

Βηρυτός, 4.10.2023 ΑΠ Φ 2230 ΑΣ 280

Αξιότιμοι/Αξιότιμες Κύριοι/Κυρίες,

Επικοινωνούμε μαζί σας από το Γραφείο Οικονομικών και Εμπορικών Υποθέσεων Βηρυτού, προκειμένου να σας ενημερώσουμε για μία σημαντική διεθνή διοργάνωση που θα λάβει χώρα στον Λίβανο. Συνεπώς, εφόσον το κρίνετε σκόπιμο και από την πλευρά σας, λαμβάνοντας υπόψη την κάτωθι καθώς και συνημμένη πληροφόρηση, παρακαλείσθε θερμά να ενημερώσετε σχετικά, τα μέλη σας ή άλλους αποδέκτες που θα επιθυμούσατε, ώστε να διερευνήσουν ενδεχόμενη δυνατότητα συμμετοχής τους.

Σε συνέχεια πρόσφατης επικοινωνίας με το Γραφείο μας, ο διοργανωτής της 25ης έκδοσης της κλαδικής έκθεσης Project Lebanon (23-25 Απριλίου 2024 / Seasside Arena, στο κέντρο της Βηρυτού), και από τους πλέον εδώ αξιόπιστους όμιλους στον χώρο διοργάνωσης εμπορικών εκδηλώσεων, IFP Group, μας ενημέρωσε αναλυτικά για την επόμενη διοργάνωση, την οποία έχουμε εντάξει στο αρχείο κλαδικών εκθέσεων 2024 για τον Λίβανο, που σύντομα θα αναρτηθεί και στη διαδικτυακή πύλη Agora.

Ως ένα από τα σημαντικότερα δρώμενα που λαμβάνουν χώρα στην ευρύτερη περιοχή της Μέσης Ανατολής στους τομείς των κατασκευών, των υποδομών και της ενέργειας, η Project Lebanon 2024 φιλοδοξεί να συμβάλει στη διαμόρφωση των ανωτέρω κλάδων στον Λίβανο με μοναδικό τρόπο.

Η Project Lebanon Going Forward 2024 θα περιλαμβάνει 4 κύριους τομείς:

- Κατασκευές και υποδομές
- Χερσαίες υπηρεσίες πετρελαίου και φυσικού αερίου
- Ανανεώσιμες πηγές ενέργεια
- Μεταφορές, λιμένες και εφοδιαστική

Παρά τις επαναλαμβανόμενες κρίσεις, από πλευράς μας οφείλουμε να σημειώσουμε ότι ο τομέας των υποδομών και των κατασκευών έχει καταφέρει να διατηρήσει τη σταθερότητα και την ανάπτυξη, καθώς ο Λίβανος είδε μια αύξηση 1.450.320 τ.μ. στις περιοχές αδειών κατασκευής (2021-2022), και με την άφιξη του γεωτρύπανου στο τεμάχιο 9 του Λιβάνου για εξερεύνηση υδρογονανθράκων στο Νότο του Λιβάνου, ο τομέας του πετρελαίου και του φυσικού αναμένεται να γίνει κύριος ενισχυτής της οικονομικής ανάπτυξης με παράπλευρες οικονομικές ομάδες από τις χερσαίες υπηρεσίες που θα ευημερήσουν δίπλα στα πεδία εξερεύνησης.

Η ηλιακή ενέργεια διαδραματίζει επίσης καθοριστικό ρόλο στις στρατηγικές ανάκαμψης, με στόχο το 30% της ενεργειακής κατανάλωσης του Λιβάνου να προέρχεται από ανανεώσιμες πηγές ενέργειας έως το 2030, σύμφωνα με τον Διεθνή Οργανισμό Ανανεώσιμων Πηγών Ενέργειας (IRENA), ενώ ο τομέας της εφοδιαστικής αλυσίδας και των μεταφορών εξακολουθεί να αποτελεί ζωτικό οικονομικό πυλώνα, ο οποίος χαρακτηρίζεται από την αύξηση κατά 10% της σωρευτικής εμπορευματικής δραστηριότητας στους λιμένες της Βηρυτού και της Τρίπολης, φθάνοντας τους 5.069 χιλιάδες τόνους το 2022. Η ανάπτυξη του ηλεκτρονικού εμπορίου οδηγεί επίσης στην επέκταση των ταχυδρομικών υπηρεσιών και των logistics.

Παράλληλα, η έκθεση Lebanon Smart Manufacturing 2024, που διοργανώνεται σε συνεργασία με την Ένωση Λιβανέζων Βιομηχάνων (ALI), θα επικεντρωθεί στους τομείς της αυτοματοποίησης, της Βιομηχανίας 4.0, της συσκευασίας παραγωγής τροφίμων και της μεταποίησης. Η έκθεση αυτή έχει ως στόχο να παρουσιάσει την τελευταία τεχνολογία, τις υπηρεσίες και τα συστήματα στον τομέα της μεταποίησης στους ενδιαφερόμενους για τη βιομηχανία στον Λίβανο και την ευρύτερη περιοχή.

Τα στοιχεία επικοινωνίας του αρμόδιου στελέχους της έκθεσης παρατίθενται επίσης κατωτέρω ενώ το Γραφείο μας παραμένει στη διάθεσή σας για οτιδήποτε περαιτέρω τυχόν χρειαστεί και για κάθε περίπτωση συμμετοχής.

Με εκτίμηση,

MARKING A NEW PHASE *IN LEBANON'S FUTURE*

The most established trade Fair in Lebanon will be back in its 25th edition on April 24 - 26, 2024, at Seaside Arena, Beirut. As the premier event of its kind in the region and building on its vast experience in the construction, infrastructure and energy sectors, Project Lebanon 2024 will usher in a new phase in Lebanon's history.

THE 2024 EDITION WILL FOCUS ON:

The public and private sectors will gather under one roof to discuss and explore the future of Lebanon's construction, infrastructure, and energy sectors.

Project Lebanon 2024 is set to attract local, regional and international industry leaders, decision makers, investors as well as solution providers to network, establish partnerships and find growth opportunities.

A 360-DEGREE COVERAGE

OF LEBANON'S DEVELOPMENT SECTORS

INFRASTRUCTURE AND CONSTRUCTION

The infrastructure and construction sector are one of the vital pillars of a country's economy. In Lebanon, despite the recurrent crises, this sector has managed to maintain a certain stability during critical times and then resurge afterwards.

20%

INCREASE IN THE SURFACE AREA OF CONSTRUCTION PERMITS IN LEBANON

7,44%

INCREASE IN CEMENT DELIVERIES IN LEBANON (AUG-SEP 2022)

*Source: https://economics.creditlibanais.com/Article/210993#en

1,450,320 SQM

INCREASE IN THE SURFACE AREA OF CONSTRUCTION PERMITS IN LEBANON (2021-2022)

10%

GROWTH IN CEMENT DELIVERIES IN LEBANON (2021-2022)

ON-SHORE OIL AND GAS SERVICES

Following the signing of the Exploration and Production Agreements (EPAs) for blocks 4 and 9 in Lebanon, the upstream oil and gas sector should constitute one of the enablers of economic development with collateral on-shore services that will prosper next to exploration fields, namely in terms of food supply, transportation, logistics, among others.

Lebanon has finally headed the call of renewable energy to solve the problem of power shortage. Renewable energy resources – namely solar and wind – have become a key part in recovery plans and strategies.

LEBANON'S ENERGY CONSUMPTION FROM RENEWABLES BY 2030, ACCORDING TO IRENA

LEBANON WAS AMONGST THE TOP 5 PERFORMERS IN TERMS OF RENEWABLE ENERGY IN 2021, ACCORDING TO THE WORLD BANK

PORTS, TRANSPORT AND LOGISTICS

The logistics and transport sector are one of Lebanon's vital economic arms.

9,09%

INCREASE IN CUMULATIVE FREIGHT ACTIVITY IN BEIRUT PORT IN 2022 TO REACH 5,069 THOUSAND TONS

715,10 THOUSAND TEUS

CARGO CAPACITY AT BEIRUT PORT IN 2022

GROWTH IN THE CARGO CAPACITY AT BEIRUT

14%

PORT (2021-2022)

68,08%

INCREASE IN THE NUMBER OF IMPORTED CARS

CONCURRENT ACTIVITIES

PROJECT LEBANON CONFERENCE

A high-level conference to shed light on the latest opportunities and innovations around the construction, oil and gas services, ports, transport and logistics and renewable energy sectors.

It will bring together international and regional decision makers and key companies that will share their expertise with the audience.

SMART MANUFACTURING

LEBANON SMART MANUFACTURING EXHIBITION AND CONFERENCE

IFP Group is organizing the 1st edition of Lebanon Smart Manufacturing concurrently with Project Lebanon 2024. Automation and smart manufacturing are gaining ground in Lebanon with an increasing number of industrial automation solution providers. This event will serve as common platform to share knowledge and exchange business opportunities. Lebanon Smart Manufacturing will cover automation and smart manufacturing, Industry 4.0, food production technology, and processing and packaging.

B2B MATCHMAKING

The complimentary B2B matchmaking service is the most effective tool to directly meet qualified buyers, distributors, and decision-makers. The one-on-one meetings will be held in a designated area or at the exhibitor's stand at the venue.

THE ORGANIZER

IFP Lebanon is part of IFP Group, the Middle East's leading trade fair and conferences organizer. In the last 42 years, IFP has organized over 550 international trade fairs and conferences throughout the region and has established a client base of more than 35 governments and thousands of international companies and trade associations.

THE VENUE

Strategically located in Beirut's central district and only 15 minutes away from the airport, the Seaside Arena (previously known as Biel) features over 25,000 SQM of multi-functional areas including exhibition space, event halls, conference facilities, ballrooms and catering services.

Terms & Conditions

1. Application for space at the Exhibition shall be made on the form overleaf and shall be duly signed by the authorized person for and on behalf of the Exhibitor. Following the receipt of the SCF together with the down payment, the Organizer reserves the right to refuse any SCF at their absolute discretion without necessarily giving the reasons for such refusal.

2. Unless otherwise agreed overleaf, the payment schedule for the booked space is as follow:

• 50% upon signature of SCF + total amount of VAT.

• 50% by date specified on the SCF.

Where the SCF is signed after the final payment date specified on the SCF, the total amount shall be due and paid with the SCF. This total paid amount is for the booked space, details of which are set out overleaf. The Exhibitor will not be allowed to enter or take over their space or stands if the payment terms specified on the SCF are not fully honored. Interests at a rate of 1% per month shall be charged on all outstanding amounts for a period exceeding 14 (fourteen) days after the due date of payment until settlement is made.

3. Any additional equipment and / or services, such as but not limited to furniture, power supply, telephone lines, ordered by the Exhibitor, shall be invoiced separately.

4. In case the Exhibitor cancels or requests to cancel his space booking, he shall be liable to pay the full or part of the amount agreed overleaf according to the following terms:

- 50% of total amount if the cancellation occurs at 90 days prior to the exhibition's opening date.
- 70% of total amount if the cancellation occurs at 30 days prior to the exhibition's opening date.
- 100% of total amount if the cancellation occurs within 30 days prior to the exhibition's opening date.

The cancellation request should be addressed in writing by the Exhibitor to the concerned person(s) working at the Organizer. In addition to the cancellation charges, when applicable, the Exhibitor shall be liable for any specific consequent amount incurred by the Organizer on behalf of the Exhibitor.

5. If the Exhibitor fails to exhibit for any reason, he shall be liable to settle the full amount specified in the SCF plus any additional amount(s) incurred by the Organizer on behalf of the Exhibitor.

6. If the Exhibitor declares bankruptcy or is in receivership and or being liquidated, the SCF shall be rescinded at Exhibitor's responsibility and all monies paid by the Exhibitor will be retained by the Organizer as their absolute right.

7. At all times, the Organizer and all who are associated with him shall not be liable at all for the saftey of the Exhibitor, his staff, agents, contractors or attendees, nor shall be liable for any exhibits, articles or any other property of whatever kind brought into the Exhibition by the Exhibitor, his servants, agents, contractors or invitees or members of the public. In all cases, the maximum liability the Organizer shall hold toward the Exhibitor, whether contractual or non-contractual, shall not exceed the value of the SCF.

8. These General Terms and Conditions shall govern the relationship between the Organizer and the Exhibitor and shall apply to all the services, whether current or future, that shall be rendered by the Organizer to the Exhibitor unless otherwise provided for in a separate agreement. The Organizer reserves the right to alter, add to, or amend any of these conditions, and the decision of the Organizer is binding should any disagreement on the interpretation of these regulations arise.

 $3\mathrm{rd}$ floor, PG 1776 Bldg, Sin El Fil/Dekwaneh Blvd. P.O.Box. 55576 Beirut, Lebanon

9. The Exhibitor shall ensure that they are fully covered by an insurance policy including, but not restricted to, all risks insurance on their property, exhibits or articles brought to the exhibition, or any kind of public liability and comprehensive protection against any loss or damage caused by any circumstance whatsoever whether by reason of fire, water, theft, accident or any other cause. The Exhibitor shall insure against, indemnify and hold the Organizer harmless in respect of all amounts, claims, demands and expenses to which the Organizer may in anyway be subject as a result of any loss or injury arising to any person (including members of the public or the Organizer' staff, agents or contractors) or property howsoever caused as a result of any act or default of the Exhibitor, his servants, agents or contractors or invitees. If the Organizer so demand, the Exhibitor shall provide proof to the Organizer that the Exhibitor has adequate insurance cover acceptable by the Organizer. The Exhibitor must ensure that his temporary staff and the staff of his servants, agents or contractors are insured against claims for workmen's compensation. The period for which such insurance shall be maintained shall run from the time the Exhibitor and/or any of his servants, agents or contractors first enter the Exhibition grounds, and until the Exhibitor and any of his servants, agents or contractors leave the grounds at the end of the event period and all his exhibits and property have been removed.

10. The Organizer shall not in any event be held responsible for any restrictions or conditions which prevent the construction, erection, completion, alteration or dismantling of stands or the entry, placement or removal of exhibits or for the failure of any service or amenities provided by the hall landlords or other third parties.

11. The contracted party for a pavilion is responsible for ensuring that all exhibitors within the pavilion are fully aware of, and agree to abide by these General Terms and Conditions and by the Rules and Regulations of the venue.

12. The Exhibitor must not transfer, dispose of, part with or otherwise sublet all or any part of his exhibition space, whether for financial consideration or otherwise. The Exhibitor must, if he is an agent, distributor or licensee, mention at the time of Application the names of the Principles whom he shall represent during the exhibition. This does not prohibit an Exhibitor displaying the products of a principal for whom he becomes a distributor or licensee after the time of Application, with the prior written permission of the Organizer.

13. The Organizer shall not be liable to the Exhibitor by reason of any cancellation or part-time opening of the exhibition, either in whole or in part, for any non-performance of their obligations under this Contract or any amendments or alterations to all or any of the Rules and Regulations of the exhibition in each case to the extent that such occurrence is due to any circumstances not within the control of the Organizer.

14. The Exhibitor should submit to the Organizer all necessary documents for visa application two months before the opening of the show. The Exhibitor will bear any liability, whatsoever, if the two-month deadline is not respected. The Exhibitor will inform the Organizer within the aforementioned deadline of the way adopted for the visa application in case he chooses not to go through the Organizer. The role of the Organizer is to facilitate the application of the visa ONLY. The Organizer will not be held responsible in any way if the request of the visa is declined by the relevant authorities.

15. If the Organizer does not exercise, or takes time in exercising, any of its rights set under this Agreement, this shall not constitute by any means a waiver by the Organizer of that particular right.

16. These General Terms and Conditions shall be governed by the Lebanese laws and the courts of Beirut shall have exclusive jurisdiction to decide on any dispute arising out or in connection with the agreement.
