16. The envisaged method of bidding:
"NCB+"

17. Bidding is conducted according to Governmental Decision no. 34/2006 and is open to all bidders from NATO member countries ("25B"). Only eligible companies from NATO member countries ("25B") are allowed to participate in the bidding "NCB+".

Complete set of bidding documents in Romanian language, including qualification requirements, bidding data sheet, "Cahier des Charges", technical specifications, drawings, bill of quantities, security guarantee and contract forms, are available on the Romanian Government Official site for Bidding www.e-licitatie.ro with identification no. 149.178/05.02.2014.

All bids shall be accompanied by a Bid Security of 2 % (two percent) of the bid estimated price. The contracting authority shall demand performance guarantee representing 10% of the overall value of the contract.

To qualify for award of the Contract, bidders shall meet the minimum qualifying criteria as specified in the bidding documents. For the qualified companies, the criterion for awarding the contract is the lowest price.

18. Companies from NATO member countries specialized in the project subject need the approval from Government or qualified Authority of their country of origin by submitting "DECLARATION OF ELIGIBILITY", which should be forwarded in a form as specified in Enclosure A.

19. All information are included in the Bidding Documents, available online in Romanian language on www.e-licitatie.ro with identification no. 149.178/05.02.2014.

Requests for clarification are accepted until 21st March 2014, 16.00 local hours.
